HISTORY

The Hand is a cult composed entirely of dangerous ninja assassins, first formed in feudal Japan. Members of the Hand worship an elder god known only as the Beast. Manipulating the world from the shadows, they sow chaos wherever they roam.

For centuries, the Hand's machinations have been opposed primarily by a rival ninja organization: the Chaste. Many of the world's most famous ninja have at some point joined forces with either the Hand or the Chaste.

PERSONALITY

Members of the Hand are fanatical and dedicated killers. Behind closed doors, the leaders of the Hand give loud and raving religious sermons, but your average Hand ninja is a professional—soft-spoken on the job and communicating only when absolutely necessary.
