HISTORY

Born and raised in New York City, Wilson Fisk started on his path to become the Kingpin of Crime at an early age. He developed a skill for uncovering secrets and using them as leverage, while at the same time, he dedicated himself to becoming an astonishing bodybuilder with the strength (and shape) of the most powerful sumo wrestlers.

As Fisk's criminal organization spread throughout New York City, he butted heads several times with both Spider-Man and Daredevil. The only thing that seemed to soften him was his love for his wife, Vanessa, and their son, Richard, both of whom were killed. He has since remarried, this time to Typhoid Mary.

Fisk recently became the mayor of New York City after helping save the city during an alien invasion. He has since divested himself of his criminal enterprises—but not his crooked ways.

PERSONALITY

Fisk can be charming and savvy, but he is also a schemer who is usually in control of most things around him. He's used to being the boss and having his people leap to obey him. When his plans are thwarted though, he can become murderously violent.
